

Cash Reward if Found

Please take a moment to gather your best evidence for God, which clearly demonstrates that God is real. We want God FOUND once and for all, so we humbly offer \$1,000 for each verified proof of the God of the Bible! **Any commonly refuted or ambiguous evidence, which could also be proof of other things, obviously doesn't demonstrate God and earns no reward.** For instance:

"DNA is a code", "The universe is proof ", "Humans are designed", "The Bible is proof ", "Prophecies prove divinity", "Miracles", "I saw/heard Jesus", "The tomb was empty", "500 witnesses saw a resurrected Jesus", "God must be the first cause", "the revived boy had divine knowledge", "I feel God in my heart"...

...are all examples of grossly ambiguous or widely refuted arguments for God. **Please don't just submit reasons you believe in God.** If you aren't aware, faith and vigorous belief don't justify God beliefs at all & have nothing to do with God being real. Serious submissions only please! Send your proof (and your name) to **MyGodReward@gmail.com** & earn your earthly reward for our heavenly Lord.
