

It is perfectly acceptable and even virtuous to think critically about any faith based ideas which are silly, harmful and oppressive. It is wise (and not disobedient) to refuse to be told what to think. Be your own person and care about what is actually true. Test it. Scrutinize it. Believe what turns out to be reality? Why believe anything else?

Everything Jesus Told You to Do About Homosexuality & Gay Marriage

By: Artie Petro

Please consider carefully the following commands and insights by **Jesus** regarding Homosexuality:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.

That's right, **none**. So either be a monster and insist on stoning gays,

(and bring back slavery, selling your daughters or marrying them to their rapists) per the Old Testament, or let these people be themselves and marry each other. Besides, most Christians already ignore what Jesus said anyway:

"So they are no longer two but one flesh. What therefore God has joined together, let no man put asunder"(Matthew 19:6 & Mark 10:9), & *"...whosoever shall put away his wife, and marry another, committeth adultery against her"*(Mark 10:11 & Luke 16:18), & *"Whosoever shall marry her that is divorced committeth adultery"*(Matthew 5:32, 19:9 & Luke 16:18).

Yes, moral folks around you are aware of your hypocrisy and inappropriate judging of gays and lesbians. Please knock it off. Thank you.
