

The STRENGTH of the Christian Mind is Astounding!

It's difficult to comprehend how we all **still believed and worshiped** after learning how an **All Loving God** was also 'genocidal'. **YET WE DID!** Or that any earthly sin was somehow worthy of eternal torture! Or that our perfectly moral God had also once condoned slavery! **YET WE DO STILL BELIEVE! Incredible!** Thank God for the **divine fortitude** to overlook these apparent 'atrocities and contradictions', so we can all **keep on believing!** Now go pray that Atheists will find this mental strength and won't simply reject God's word as "immoral, nonsensical & harmful" but to bypass it all and **still love God!** Amen!
