

This sheet of faux bills is made in compliance with official rules, for legally reproducing imagery of U.S. currency. The bills are one sided, incomplete and oversized.

I apologize, but I have tough news for you;  
***your God is just as fake as this \$20.***

Your god is supposed to be an all-powerful, LOVING father, but this world's atrocities, horrors & disasters CLEARLY remain unchecked by any such power. ***THIS EVIDENCE reveals your God to be as fictitious as the \$20,*** in case a "loving" God's hell wasn't contradictory enough.

Just imagine the mental gymnastics required to keep believing that the \$20 was real, while evidence indicated the opposite. Don't laugh too hard; ***you do EXACTLY that with your God myth's failings.*** Maybe it's time to ask yourself why.
